AWARDS

EMMY AWARD WINNER Category Graphic Arts

Awarded an Emmy at the Rocky Mountain Emmys in fall of 2024

SUMMARY

As a designer, I take thoughts and ideas and bring them to life with design. I enjoy working as part of a team and being an adaptable leader for others while staying productive to meet deadlines and delivering exceptional work.

I am always looking for new ways to grow as a person as well as acquire new skills that will help keep me up to date on the latest design trends.

EXPERIENCE

PROFESSIONAL GRAPHIC ARTIST

FOX10 News | May 2022 - present

- Design and manage all creative projects for the station to keep a consistent and modern feel for the viewer
- Collaborate with news and promotions producers to finalize the creative with cohesive and on-brand graphics that are ready for air
- Work with sales and their clients to meet their personal design branding standards and goals for a current project.
- Coordinate and manage graphics projects with our off site creative group 'The Hub'

STUDENT GRAPHIC DESIGNER

Fairmont State University Marketing and Relations | Aug 2019 - Nov 2021

- Creating flyers and prints for all of the organizations at Fairmont State University using Adobe Cloud (Focused apps include Photoshop, Illustrator, and InDesign)
- Working with clients/organizations on projects to achieve their desired revisions and branding
- Attending meetings and working cohesively with other designers and reporting to the project managers

DESIGN FREELANCER

Mon Health Medical Center | Aug 2021 - Nov 2021

- Worked with professors and graduate student architects to create 3D models of lobby spaces in the Mon Health Hospital located in Morgantown, WV
- Created 2D templates for computer/tablet screens and wallpapers as well as design packets that detailed the cost of the project and outlined more fine print details
- Presented in front of the CEO of Mon Health our ideas and designs
